# Leaders for the Future

**Are you ready for a new challenge?**

**Is there a project you'd like to run in your school?**

A nationally accredited course for teachers with leadership potential in the early stages of their career. This is your opportunity to develop your skills as a leader whilst developing an initiative that could benefit your setting. For example, you might like to lead your school in gaining the Healthy Schools Award; reviewing provision for SEN, pupil premium or gifted and talented children; setting up a school newspaper; leading interventions; or changing a scheme of work for a subject.

Benefits for you:	Benefits for your school:

**Leaders for the Future (L4F)** offers five modules:

- Leading yourself
- Leading for impact
- Leading and influencing others
- Leading yourself for the long term
- Leading through coaching and mentoring

At the end of the taught modules there will be a presentation where you can share your project and learn from the ideas of others; a wonderful opportunity to work with like-minded colleagues.

The programme is certificated by SSAT and provides routes to Masters level accreditation through the University of Nottingham and SSAT Lead Practitioner Accreditation.
